Juliana Hatfield

You're the only one thing that I believe
The only one thing that I can see
I'm not blind so tell me why
Why don't you come up and see me some timeIt's the only thing that stays with me
The one thing that won't run away from meThe answer doesn't lie
(Do, do, do, do, do, do)
At least not in the back of my mind
(Do, do, do, do, do, do)
Can't find it in your eye
(Do, do, do, do, do, do)
Can't find it in timeI'm sure of myself and I know the truth
Now all I have to do is show it to you
It looks so easy but it's hard to do
YouI jump in the car, turn the music on
I'm gonna be gone, but I don't know how long
I've got time, so tell me why
Will it take a whole life to prove what you know is rightWhy, why, why, why, whyThe answer doesn't lie
(Do, do, do, do, do, do)
At least not in the back of my mind
(Do, do, do, do, do, do)
Can't find it in your eye
(Do, do, do, do, do)
Can't find it in timeDo, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, doDo, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, doDo, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, do
Do, do, do, do, do, do, do, ooh
