

Last Of A Dying Breed

Young Jeezy

Last of a dying breed
Last of a dying breed Welcome to da life of a young thug nigga
Only hang out wit dem criminals and dem drug dealers
I'm from even where da dead die
But try an do it big like da kid from bed stuy I see death around da corna and I ain't scared
I got a [Incomprehensible] wit 15 and I'm fully prepared, that's right
Lord a mercy 20 rounds in a clip
Outta line get 20 rounds in ya hip Shoot first and ask question lata
Da answer is it was all about da paper
And everything da game is shit to lose
And a new forty-five that I'm dyin' to use Say if ya real like me
Throw ya hoods in da air so da whole wide world can see
Last of a dying breed, last of a dying breed
Last of a dying breed If ya real like me
Keep that thang on ya hip that's just da way that it's gotta be
Last of a dying breed, last of a dying breed
Last of a dying breed I done seen niggaz come and go
Shit da whole world done seen wat I done before
We do anythang when da funds is low
I'm da reason outta town as don't come no mo Let me show you niggaz how to break down da whole thang
My nigga B.G. know Buck been a [Incomprehensible] man
It's got to be in ya blood to be a thug
If I ain't makin' enough I ma jack my plug We was born in it not sworn in it
You can go against it or you can join wit it
Make my mark so da streets gon' rememba me
Now come and git it nigga Cashville Tennekee holla back Say if ya real like me
Throw ya hoods in da air so da whole wide world can see
Last of a dying breed, last of a dying breed
Last of a dying breed And if ya real like me
Keep that thang on ya hip that's just da way that it's gotta be
Last of a dying breed, last of a dying breed
Last of a dying breed Some of da dudes we thought was real O.G's was O.D's
'Cause they talk pleas and includin' G's like you and me
The first step was going to set a trap
So in a short period they convince da grand jury to allow a phone tap And if they listen in
Not once did they hear us mentioning
Murder and a cocaine distributing
Through all that was dividends comin' in I'm straightly gettin' betta yet we too smart for ya bullshit
Callin' all cars, it's your brother-in-laws

And tell 'em hurry up and come dem niggaz got gunz
Man down shots fired only fuck niggaz and cops died
First stage of a ride and dem fuck couldn't sneak by
When you on a witnessin' and shit five bitch be quiet
Because they only got what you tell 'em
And then da witness that they had to [Incomprehensible]
Was lyin' there dead
Shot in da street all red wit two shots to his head
'Cause he was workin' for da feds
And they last informant informed us they had it out for us
For a bird but he got popped for it
So ride or die for 'em, betta yet you betta kill 'em
'Cause I think he gon get da bitch to tell 'em
And he probably done all ready told
But then again with out a witness dem bitches ain't got shit, say
If ya real like me
Throw ya hoods in da air so da whole wide world can see
Last of a dying breed, last of a dying breed
Last of a dying breed
If ya real like me
Keep that thang on ya hip that's just da way that it's gotta be
Last of a dying breed, last of a dying breed
Last of a dying breed
