## Brazzaville

Aquamarine  
All that glitters lies beneath  
Deep blue, shallow green  
I wont let it goAquamarine  
Youre my sexy little daydream  
Deep blue, shallow green  
God, i make it soAquamarine  
Send it up into the gulf stream (ghost dream ??)  
Deep blue, shallow green  
I wont let it goNow there a dream  
Now there a dream  
Aquamarine
