

# Fill Me In (Jackie Dagger & A Skitzo Remix)

Craig David

All right  
Come on  
Can you fill me in (Let's talk about it) I was checking this girl next door  
When her parents went out  
She phoned said, "hey boy, come on right around"  
So I knock at the door  
You was standin' with a bottle of red wine, ready to pour  
Dressed in long black satin and lace to the floor  
So I went in, then we sat down start kissing, caressing  
Told me about jacuzzi, sounded interesting  
So we jumped right in  
All calls diverted to answer phone  
Please leave a message after the tone  
I mean me and her parents were kind of cool  
But they ran a fine line between me and you  
We were just doing things young people in love do  
Parents tryna find out what we were up to Saying why were you creeping around late last night  
Why did I see two shadows moving in your bedroom light  
Now you're dressed in black  
When I left you were dressed in white  
Can you fill me in  
Calls diverted to answer phone  
Red wine bottle, half the contents gone  
When I returned, Jacuzzi turned on  
Can you fill me in Whenever the coast was clear and she'd ask me to come out  
I'd say, "hey girl, come on right around"  
So she knocked at the door  
I was standing with the keys in my hand to the 4x4  
Jumped in my ride, checkin' that nobody saw  
The club we went in  
We got down bounced bounced to the rhythm  
Saw it was early morning  
Thought we'd better be leavin'  
So I gave you my jacket for you to hold  
Told you to wear it 'cause you felt cold  
I mean me and her didn't mean to break the rules  
I weren't trying to play your mum and dad for fools  
We were just doing things young people in love do  
Parents tryna find out what we were up to Saying why can't you keep your promises no more

Say you'll be home by 12, come strolling in at 4  
Out went the girls but leaving with the boy next door  
Can you fill me in  
Wearing a jacket, who's property  
Said you'd been queuing for a taxi  
But you left all your money on the TV  
Can you fill me in All they seem to do is be checking up on you baby  
Watchin' our every move, think some day they might approve baby Why were you creeping around late last night  
Why did I see two shadows moving in your bedroom light  
Now you're dressed in black  
When I left you were dressed in white  
Can you fill me in  
Calls diverted to answer phone  
Red wine bottle, half the contents gone  
When I returned, Jacuzzi turned on  
Can you fill me in
