

Internal Heights

Trevor Hall

My strength comes from the river
The eternal giver
A transcendent sight
Maintain internal heights

Maintain internal heights
Maintain internal heights

To see the transcendent being
Must keep both my hands clean
Keep my heart light
Maintain internal heights

Maintain internal heights
Maintain internal heights

My strength comes from the river
The eternal giver
A transcendent sight
Maintain internal heights

Maintain internal heights
Maintain internal heights

My strength comes from the river
The eternal giver
A transcendent sight
Maintain internal heights

Maintain internal heights
Maintain internal heights
Maintain internal heights
Maintain internal heights
Maintain internal heights
