Irreversal

Killswitch Engage

Look behind what lies on the surface
Rituals to read the signs
Signify the life I leave behind
Behind, behind, liesI am not alone something greater than I
I am not alone something greater than ISet me free
Release me
Embrace me
Cleanse meRituals to read the signs
Signify the life I leave behind
Behind, behindI am not alone something greater than I
I am not alone something greater than ISet me free
Release me
Embrace me
Cleanse meOutstretched arms to welcome the sacrifice of this body
Outstretched arms to welcome the sacrifice of this bodyLook behind what lies on the surface
Humbled soul to reveal a purpose
