# March Of The Saint

## Armored Saint

You're the youth bangers, fight forever more
Raise your golden hammer, bring it down like Thor
Ooh, the force is going to bring us victory
No foe or rival will stop the energyIt's a vital mistake
To try to brawl with the brave
The storm just breaks out in rage
Oh then it's time
To release the martyrs on your mindIt's the march of the saint, march of the saint
March of the saint, march of the saintClench your fist a battle's on the way
Shout the truth metal's here to claim the day
Hear the crowd's mighty roar
It verifies assurance that we won another warIt's a vital mistake
To try to brawl with the brave
The storm just breaks out in rage
Oh then it's time
To release the martyrs on your mindIt's the march of the saint, march of the saint
March of the saint, march of the saint
March of the saint, march of the saint
March of the saint, march of the saintIt's a vital mistake
To try to brawl with the brave
The storm just breaks out in rage
Oh then it's time
To release the martyrs on your mindMarch of the saint, march of the saint
March of the saint, march of the saint
March of the saint, march of the saint
March of the saint, march of the saint
March of the saint
