

Nasty Reputation (Live in Erfurt)

[Axel Rudi Pell](#)

Can you see me racing down the highway?
Can you see me walking on the moon?
No one cares, I'm gonna do it my way
I don't care, I'm breaking all the rules I see the fire, the flame is burning bright
I'm a live wire, I don't know what's wrong or right I've got a nasty reputation from town to town
You know I came to rock the nation Can you hear me screaming on the TV?
I wanna see you rockin' to the show
Anyway, I never take it easy
Any day, I'm ready to explode I've got the action and you can't slow me down
It's a chain reaction, I'm gonna turn you upside down I've got a nasty reputation, it's all around
You know I came to rock the nation
I've got a nasty reputation from town to town
You know I came to rock the nation, rock me Nasty I've got a nasty reputation from town to town
You know I came to rock the nation
I've got a nasty reputation, it's all around
You know I came to rock the nation Nasty reputation
You know I came to rock the nation
Nasty, nasty, nasty reputation
I've got a nasty reputation, nasty
