Longer

Aiza Seguerra

Longer than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the heavens
I've been in love with you
Stronger than any mountain cathedral
Truer than any tree ever grew
Deeper than any forest primeval
I am in love with you
I'll bring fire in the winters
You'll send showers in the spring
We'll fly through the falls and summers

With love on our wings
Through the years as the fire starts to mellow
Burning lines in the book of our lives
Though the binding cracks and the pages start to yellow
I'll be in love with you
Longer than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the heavens
I am in love with you, I am in love with you
I am in love with you
