You're Not Thinking

Drake Bell

You show up with your head in your hands.
You said I'm the only one that ever really understands you.
That's not true.Take my hands and wipe away your tears.
Whispering would it be okay if I stay here?
And I want you to but I know it's just a moment.
You're going to run while the moon's still shining.
And I can't fight it.Please, please, please.
Don't go and give me those eye, eye, eyes.
I can't even see that you're not thinking.
You're not thinking.
So please, please, please.
You got to let me go.
You, you, you.
You don't even know...you're not thinking.
You're not thinking about me.Now I got this picture in my head.
Dancing to the words I never said.
But I want to yeah, I have to.You wore a white dress with a yellow lace.
The night you leaned in and kissed my face.
Remember?
I remember.
I should've know it's just a moment.
You're going to run while the moon's still shining.
And you can't fight it.Please, please, please.
Don't go and give me those eye, eye, eyes.
I can't even see that you're not thinking.
You're not thinking.
So please, please, please.
You got to let me go.
You, you, you.
You don't even know...you're not thinking.
You're not thinking about me.Well, maybe it's time I stopped crossing these lines.
I can't seem to draw, and I want to hold on.
But I'm finding it's hard if this is nothing at all.Please, please, please.
Don't go and give me those eye, eye, eyes.Please, please, please.
Don't go and give me those eye, eye, eyes.
I can't even see that you're not thinking.
You're not thinking.
So please, please, please.
You got to let me go.

You, you, you.
You don't even know...you're not thinking.
You're not thinking.
Please, please, please.
Don't go and give me those eye, eye, eyes.
I can't even see that you're not thinking.
You're not thinking.
So please, please, please.
You got to let me go.
You, you, you.
You don't even know...you're not thinking.
