Meet The Creeper

Rob Zombie

Creature core you can't ignore
I got a 5000 fingers of dead yeah
A wrestling you can't break free
We're the livin' on your breath yeah
Meet the creeper diggin' deeper
Meet the creeper yeah, yeah
I see the dead in your eyes
I transform in the skies
Stabbin' out the city's crowd
Like a dagger fallin' on your baby
Thrill of the kill I know you will
Feed the monster and the lady
Meet the creeper diggin' deeper
Meet the creeper yeah, yeah
I see the dead in your eyes
I transform in the skies
Creature core you can't ignore
I got a 5000 fingers of dead yeah
A wrestling you can't break free
We're the livin' on your breath yeah
Meet the creeper diggin' deeper
Meet the creeper yeah, yeah
I see the dead in your eyes
I transform in the skies
Meet the creeper
Meet the creeper
Meet the creeper
Meet the creeper
