Reasons To Turn Back

Chunk! No, Captain Chunk!

It's safe to say that, nobody's waiting for you,
to draw your life line and one million voices
are begging you to pull all the lines and you keep on thinking that
We're all falling down, by wasting your time,
but never chasing your childhood dreams
Where's the glory?
It's just a thing to sayThere's not a storm in sight
There's nothing we can find, that you gave up girl this time
So holding your mind, I'll dream one last time
All the reasons to turn backYour focused now on the comfort of your fate
This fragile world that gives you will these days
You just look back on these fading memories
Sitting alone while hope is missing
We're not falling down, by wasting your time,
as we're chasing your childhood dreams
Here's the gloryThere's not a storm in sight
There's nothing we can find, that you gave up girl this time
So holding your mind, I'll dream one last time
All the reasons to turn backMy world, ringing in your head each and every day
Where, steel shields are bottle of miles away
Now, you better forget why you leave behind, this,
real last chance to make up your mindI can get over it
We sing, for me to just feel nothing
Drop your childThere's not a storm in sight
There's nothing we can find, that you gave up girl this time
So holding your mind, I'll dream one last time
All the reasons to turn back
