Afternoon

Philip Maurice Ramon

AFTERNOON

Like men I drink a lot of whisky
Recommended to hide what Iâ€™m feeling
To have fun with a day or love for a night.

Like men I smoke a lot of Luckies
Makes me feel more sexy
And I hope this ladder of smoke lead me to the sky.

This is the dark side of the moon that I get to you
No one can love you better than I want to

I'm a natural born driver
Iâ€™m always living faster
And never lose a race, and I canâ€™t be late.

Like men I cannot slow down
Or maybe another time
Music must follow me, I canâ€™t breathe on slavery.

This is the dark side of the moon that I get to you
No one can love you better than I want to

Like men I grow a lot of babies
Like a motherfucker Iâ€™m happy
And I feel really better when I stop their cries.

Like men I donâ€™t have enemies
I must protect my family
Inside Iâ€™ve got a gun, and a dog for my mind.

This is the dark side of the moon that I get to you
No one can love you better than I want to

Like men Iâ€™ll never lie Like men Iâ€™ll never lie
Like men Iâ€™ll never lie Like men Iâ€™ll never lie

Like men I drink a lot of coffee

Makes me feel like teen-spirit
Makes my heart beat faster and love you stronger.

Like men Iâ€™ve got the biggest penis
Longer, larger than the Titanic
And if you want to try me, itâ€™s gonna be legendary.

Like men Iâ€™ll never lie Like men Iâ€™ll never die
Like men Iâ€™ll never lie Like men Iâ€™ll never die
Like men Iâ€™ll never lie Like men Iâ€™ll never die
Like men Iâ€™ll never lie Like men Iâ€™ll
