Dream Big

Nils Lofgren

You gotta dance a lot
You gotta sing a lot
Open your heart a lot
And you can be a lot
You gotta share your stuff
Give when the times get tough
Your best can be enough
Dream big, work hard, stay humble
Give big, stay strong, be humble
Humble, humble
You gotta speak your heart
Love like a work of art
Children sing and dance
Make sure they get the chance
Dream big, work hard, stay humble
Give big, stay strong, be humble
Humble
We need a world at peace
War on disease and hate
All this despair and greed
Don't let it be your fate
Dream big, give hard, stay humble
And you can dance a lot
You better dance a lot
Dream big and dance a lot
We need to dance a lot
Dance in your heart, dance in your head
Dance into Heaven, dance into dead
You better dance a lot
Give big and dance a lot
We need to dance a lot
Dream big and dance a lot
We gotta dance a lot
Give hard and dance a lot
Dream big and dance a lot
