

# Dream Big

[Nils Lofgren](#)

You gotta dance a lot  
You gotta sing a lot  
Open your heart a lot  
And you can be a lot  
You gotta share your stuff  
Give when the times get tough  
Your best can be enough  
Dream big, work hard, stay humble  
Give big, stay strong, be humble  
Humble, humble  
You gotta speak your heart  
Love like a work of art  
Children sing and dance  
Make sure they get the chance  
Dream big, work hard, stay humble  
Give big, stay strong, be humble  
Humble  
We need a world at peace  
War on disease and hate  
All this despair and greed  
Don't let it be your fate  
Dream big, give hard, stay humble  
And you can dance a lot  
You better dance a lot  
Dream big and dance a lot  
We need to dance a lot  
Dance in your heart, dance in your head  
Dance into Heaven, dance into dead  
You better dance a lot  
Give big and dance a lot  
We need to dance a lot  
Dream big and dance a lot  
We gotta dance a lot  
Give hard and dance a lot  
Dream big and dance a lot
