Count On Me (somebody)

Tonic

I need to be around you
I want to fall into your eyes
I love to feel you close to me
But there's no piece of mind
I live to hear you laughing
I long to feel your hands fall down on the side of me
A change in life is hard to find
'Cause there's no peace of mind
If you ever need somebody
If you ever need somebody to love you
If you ever need somebody
You can count on me
So kiss me for you're leavin'
Love me now for always knowin' when to let you go
A change in life is hard to find
'Cause there's no peace of mind
If you ever need somebody
If you ever need somebody to love you
If you ever need somebody
You can count on me
There's no peace of mind
Change is hard to find
Count on me
If you ever need, if you ever need
If you ever need, if you ever need, oh
If you ever need somebody
You can count on me
If you ever need somebody
If you ever need somebody to love you
If you ever need somebody
You can count on me
