

You're the One

Dwight Yoakam

You're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to Now you're back
Calling me with open arms
What happened to the one
You met with all that charm
You say he's gone
You're alone
Well that's a shame
But if you think real hard
I know you'll see
Just who's to blame You're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to You're begging me to think
About the love we've shared
Yet it seems to me
Not too long ago you didn't care
The love you left
No longer lives
Within my heart
See the game you played

So recklessly
Tore it all apart And you're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to Oh tell me how's it feel now
That you're the one
How's it feel to be the one
How's it feel now
That you're the one it's happened to You're the one
You're the one
Yeah, you're the one
You're the one
You're the one
You're the one
Yeah, you're the one
You're the one
