

# Blinded by the Lights

## Terror

I saw myself in you  
All of you  
But that glimmer of hope  
You shut it down  
Same old story  
A taste of glory  
Can you face yourself  
After you face the crowd?Blinded by the light  
It's got you twisted around  
Blinded, blinded by the lights  
It's going to burn you downKnock down the ones who believed  
My revenge is when you descend  
No, I don't give a fuck what you call it  
I'm moving on, you'll never get itBlinded, blinded by the lights  
It's got you twisted around  
Blinded, blinded by the lights  
It's going to burn you down  
My revenge is when you descend
