The Weirdest Way

Sparks The Rescue

I drove my car to your house and
Watched you undress yourself
Through the window pane, in the weirdest way
He puts his hands on you
The way that I used to
Does it feel the same, just a different name
Tell me you don't knowI can't take my eyes off you
Everywhere you go, everything you do
Has he turned your heart around, baby
I can't take my eyes off you
No matter where you go I will follow too
You flipped my world upside down, it's crazyDrove to the end of town
It's here where you showed me how
To feel betrayed, in the weirdest way
Your skin is paper thin, tt's a distraction once again
And this pouring rain is driving me insane
Act like you don't knowI can't take my eyes off you
Everywhere you go, everything you do
Has he turned your heart around, baby
I can't take my eyes off you
No matter where you go I will follow too
You flipped my world upside down
Has he turned your heart around, babyIt's you, my dear, that I've decided
To keep my eyes on, undivided
Never let you go, never let you go
Trying to let you know, trying to let you knowI can't take my eyes off you
Everywhere you go, everything you do
Has he turned your heart around, baby
I can't take my eyes off you
No matter where you go I will follow too
You flipped my world upside down
Has he turned your heart around
And the rain is still pouring down, babyI drove to your cousin's house and
Watched you undress yourself
In the weirdest way, the weirdest way
Your skin is paper thin, it's a distraction once again
In this pouring rain, it's driving me insane
I drove to your cousin's house and
Watched you undress yourself

Through the window pane, in the weirdest way
