

You (Or Somebody Like You)

Gordie Sampson

There's a new wind blowin' like I've never known
I'm breathin' deeper than I've ever done
And it sure feels good to finally feel the way I do
I wanna love somebody, love somebody like you I'm lettin' go of all my lonely yesterdays
I've forgivin' myself for the mistakes I've made
Now there's just one thing, the only thing I wanna do
I wanna love somebody, love somebody like you Yeah, I wanna feel the sunshine
Shining down on me, me and you
When you put your arms around me
You let me know there's nothing in this world I can't do I used to run in circles goin' nowhere fast
I'd take one step forward, end up two steps back
I couldn't walk a straight line even if I wanted to
I want to love somebody, love somebody like you Oh, here we go now
Hey, I wanna love you, baby Yeah, I wanna feel the sunshine
Shining down on me, me and you
When you put your arms around me
You let me know there's nothing in this world I can't do Sometimes it's hard for me to understand
But you're teachin' me to be a better man
I don't want to take this life for granted like I used to do, no no
I wanna love somebody, love somebody like you I'm ready to love somebody
Love somebody like you
I wanna love somebody
Love somebody like you
