

When It's Cold I'd Like to Die (LP Version)

Moby

Where were you when I was lonesome?
Locked away with freezing cold
Someone flying only stolen
I can't tell this light so old I don't wanna swim the ocean
I don't wanna fight the tide
I don't wanna swim forever
When it's cold I'd like to die What was that, my sweet, sweet nothing?
I can't hear you through the fog
If I holler, let me go
If I falter, let me know I don't wanna swim the ocean
I don't wanna fight the tide
I don't wanna swim forever
When it's cold, I'd like to die I don't wanna swim forever
I don't wanna fight the tide
I don't wanna swim the ocean
When it's cold I'd like to die I don't wanna swim the ocean
I don't wanna fight the tide
