

# Many Shades of Black (with the Raconteurs)

[Adele](#)

Go ahead, go ahead and smash it on the floor  
Take whatever is left, and take it with you out the door  
See if I cry  
See if I shed a single sorry tear  
Can't say that it's been that great  
No in fact it's been a wasted worried year[Chorus]  
Everybody sees  
And everyone agrees  
That you and I are wrong  
And it's been that way to long  
Take it as it comes  
And be thankful when it's done  
There's so many ways to act  
And there's many shades of black  
There's so many shades of blackLet it out, let it all out  
Say what's on your mind  
You can kick and scream and shout and say things that are so unkind  
Yeah-see if I care, see if I stand firm or if I fall  
Cause in the back of my mind, and on the tip of my tongue  
Is the answer to it all[Chorus]Yeah there's many shades of black[Chorus]Cause there's many shades of black  
There's so many shades of black  
Yeah there's any shades of black  
There's so many shades of black  
Yeah there's many shades of black  
There's so many shades of black  
And there's many shades of black  
There's so many shades of blackGo ahead...
