

One Heart

O-Town

One heart, can make a difference.
One joy, can change it all.
One road, can drive all the distance.
And be a hope, around the world. Would you make a sacrifice
if you knew if it were right.
Well the answers' there, if you look inside.
Will you run and hide.
Or will you fight the fight. Cause there's a power.
Inside...you.
And there's a battle
to be won.
And every victory
has a beginning.
The way it always has begun.
With the power of one. Yeah, Yeah, Yeah
One day
You'll realize, that one heart is all you need.
One dream that we can all share.
One dream we all believe. And we'll make that sacrifice.
Just because we know it's right.
And we'll face the answers
that's buried inside.
We won't run and hide.
We gonna fight the fight. There's a power
inside you.
There's a battle to be won.
Every victory has a beginning.
The way it always has begun.
With the power of one. With the power of one.
Yeeeeeeaaaah We'll look inside.
We won't run and hide.
No, we'll find the fight. There's a power
inside you.
There's a battle to be won.
Every victory has a beginning.
The way it always has begun.
With the power of one
