When I See You Smile

Uncle Sam

Sometimes I wonder how I'd ever make it though
Through this world without having you
I just wouldn't have a clue'Cause sometime it seems like
This worlds closing in on me
And there's no way of breaking free
And then I see you reach out for meSometimes I wanna give up
Wanna give in, I wanna quit the fight
And then I see you baby
And everything's alright, everything's alrightWhen I see you smile, I can face the world, ooh
You know I can do anything
When I see you smile, I see a ray of light, ooh
I see it shining right through the rain
When I see you smile
Baby, when I see you smile at me, oh yeahBaby there's nothing in this world
That could ever do, what the touch of your hand can do
It's like nothing that I ever knew
And when then rain is falling, I can feel it'Cause you're here with me now
And one look at ya baby
It's all I'll ever need, it's all I'll ever needWhen I see you smile, I can face the world, ooh
You know I can do anything
When I see you smile, I see a ray of light, ooh
I see it shining right through the rain
When I see you smile
Baby, when I see you smile at meSometimes I wanna give up
I wanna give in, I wanna quit the fight
Then one look at ya baby
can make everything alright, yeah, everything's alright, so rightWhen I see you smile, I can face the world, ooh
You know I can do anything, yeah
When I see you smile, I see a ray of light, ooh
I see it shining right through the rain, yeahWhen I see you smile, yeah I can face the world, ooh
You know I can do anything
When I see you smile, oh yeah, baby
When I see you, smile, smile at me, at me
