

Come Softly to Me

Bob Welch

Come softly, darling
Come softly, darling
Come softly, darling
Come softly, darlingCome softly, darling
 Come to me, stay
 You're my obsession
For ever and a dayI want, want you to know
 I love, I love you so
 Please hold, hold me so tight
All through, all through the nightI speak softly, darling
 Hear what I say
 I love you always
Always, alwaysI've waited, waited so long
 For your kisses and your love
 Please come, come to me
From up, from up aboveI want, want you to know
 (Come softly, darling)
 I love you I love you so
(Come softly, darling)I need, need you so much
 (Come softly)
 Wanna feel your warm touch
 (Come softly)
