

Loving Arm

Metronomy

Her baby's got the loving arm

I never get too close

I like to get results

Her baby's got the loving arm

I never get too close

I'm flying down the coast

To love

To love

Her baby's got the loving arm

I never get too close

I like to get results

Her baby's got the loving arm I never get too close

I'm gunning down the coast

To love

To love
