Hurricane

Justin Jeansonne

Iâ€™m Burnin up you better put me on ice
I canâ€™t get enough this girl is dynamite
Sheâ€™s got me crazy got me going insane
Shake me blow me break me like a hurricane

Her T-shirt says contents hot
Her smile gets me like a wayward shot
Sheâ€™s got a bad girl rep and she just donâ€™t care
Her everything makes you want to stare
Sheâ€™s not an angel but sheâ€™s almost there

Iâ€™m burnin up you better put me on ice
I canâ€™t get enough this girls dynamite
Sheâ€™s got me crazy got me going insane
Shake me blow me break me like a hurricane

Salt lime them hot red lips
The sexy shiver as the Cuervo hits
And the music turns on that magic switch
And the bass it drives them dangerous hips

Iâ€™m burnin up you better put me on ice
I canâ€™t get enough this girls dynamite
Sheâ€™s got me crazy got me going insane
Shake me blow me break me like a hurricane

Woaaahh it feels like a hundred degrees
Woaaahh or is it just me

Iâ€™m burnin up you better put me on ice
I canâ€™t get enough this girls dynamite
Sheâ€™s got me crazy got me going insane
Shake me blow me break me like a hurricane
