I Fought the Law

Hank Williams, Jr.

A breakin' these rocks in the hot sun
I fought the law and the law won
I fought the law and the law wonI wanted money 'cause I had none
I fought the law and the law won
I fought the law and the law wonI left my baby and it feels so bad
Guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law wonRobbin' people with a six-gun
I fought the law and the law won
I fought the law and the law wonI fought the law and the law won
I fought the law and the law wonI left my little baby in good fun
I fought the law and the law won
I fought the law and the law wonIf I left my baby and it feels so bad
I guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law wonIf I left my baby and it feels so bad
And I guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law wonI fought the law and the law won
I fought the law, law won
I fought the law, the law won
I fought the law, the law wonI fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
