Only Human

Rudimentary Peni

Hey you! Yeah you!
You're the only human eveyone's an alien
Save you, save you
We're malevolent malignant tumours sucking on your body
Preying on your mind never mind, never mind
Preying on your mind never mind, never mindDissecting your soul, spirit being or whatever
Put your brain ???
We've your whole life videoed
Your womb, sub-life, childhood, adolescence, adulthood, old age
