## **Good Morning Heartache**

## **Ol' Dirty Bastard**

Good morning heartache You are a gloomy sight Morning heartache Thought we said goodbye last night I tossed and turned until it seemed you had gone But here you are with the dawnI wish I'd forget you You're here to stay It seems I met you When my love went away Now every day I start by saying to you "Morning heartache, what's new?"Stop haunting me now Can't shake you, no how Just leave me alone I've got those Monday blues Straight through Sunday bluesGood morning heartache Here we go again Good morning heartache You're the one who knew me well Might as well get used to you hangin' around Morning heartache, sit downStop haunting me now Can't shake you, no how Just leave me alone I've got those Monday blues Straight through Sunday bluesMorning heartache Here we go again Good morning heartache You're the one who knew me well Might as well get used to you hangin' around Good morning heartache, sit down
