

# Louisiana Bayou

## Dave Matthews Band

No no, mamma now devil don't do-si-do  
Two young boys lyin' dead by the side of the road  
And the coins in their eyes represent the money they owe  
No judge or jury ever gonna hear the story told Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Say my story again-you (Louisiana)  
Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Say my story again-you Louisiana bayou Sweet girl, daddy done beat that girl like he's insane  
Brother can't watch him beat that girl down again  
So late one night cookin' up with a couple of friends  
Swears his daddy never gonna see another day Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Say my story again-you (Louisiana)  
Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Say my story again-you Louisiana bayou No no, mamma, God an' devil done do-si-do  
See two young boys lyin' dead by the side of the road  
Shame shame Oh it's a shame to lose your way running wild  
It's a shame to lose your light shine  
(Shame shame)  
And it's a shame to lose your way as a child  
Oh it's a shame to lose your Money on the bed but you ain't got to go  
Sold your soul just trying to get over low  
No empty pocket gonna keep you from getting yours  
No judge or jury ever gonna hear the story told Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you (Louisiana)  
Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you Louisiana bayou No no, mamma, the devil done do-si-do  
Two young boys lyin' dead by the side of the road (Louisiana bayou)  
Down by the bayou

Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you(Louisiana bayou)  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you(Louisiana bayou)  
Same old story again-you  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you(Louisiana bayou)  
Down by the bayou  
Tryin' to play with the caine-you  
Tryin' to play with the caine-you  
Same old story again-you(Louisiana bayou)  
Down by the bayou  
Tryin' to play with the caine-you  
(Oh it's a shame to lose your way running wild)  
Tryin' to play with the caine-you  
Same old story again-you  
(Oh it's a shame to lose your light shine)
