Bad Boy (Album Version)

Cascada

Remember the feelings, remember the day
My stone heart was breaking
My love ran away
These moments I knew I would be someone else
My love turned around and I fellBe my bad boy, be my man
Be my week-end lover
But don't be my friend
You can be my bad boy
But understand
That I don't need you in my life againWon't you be my bad boy, be my man
Be my week-end lover
But don't be my friend
You can be my bad boy
But understand
That I don't need you again
No I don't need you againYou once made this promise
To stay by my side
But after some time you just pushed me aside
You never thought that a girl could be strong
Now I'll show you how to go onBe my bad boy, be my man
Be my week-end lover
But don't be my friend
You can be my bad boy
But understand
That I don't need you in my life againWon't you be my bad boy, be my man
Be my week-end lover
But don't be my friend
You can be my bad boy
But understand
That I don't need you again
No I don't need you again
