

All Cried Out

112

All alone on a Sunday morning
Outside I see the rain is falling
Inside I'm slowly dying
But the rain will hide my crying, crying, crying
And you don't you know my tears will burn the pillow
Set this place on fire 'cause I'm tired of your lie
All I needed was a simple hello
But the traffic was so noisy that you could not hear me cry

(I)

I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain

(And you)

You leave me so confused
Now I'm all cried out, over you
Cryin' over you, yeah

Never wanted to see things your way
Had to go astray for why was I such a fool
(Why was I such a fool?)

Now I see that the grass is greener
Is it too late for me to find my way home?
How could I be so wrong?

Leaving me all alone

Don't you know my tears will cause an inferno
Romance of these flames, why should I take the blame?

You were the one who left me neglected

(So sorry baby)

Apology not accepted

At me to the broken hearts you've collected

(I)

I gave you all of me

(Gave you all of me)

How was I to know you would weaken so easily?

(I)

I don't know what to do

(I don't know what to do)

Now I'm all cried out

(All cried out)

Over you

(I)

I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you
You left me so confused
Now I'm all cried out
Now I'm all cried out
Over you
