I don't know oh I mean for real girl just think it if you leave you know what will make us 2 people
Alone with no love to call there own
[Chorus:]But you can pack your bagz you can pack your bagz girl if you want I rather if you don't that
Will mean that love won't live [x2]
[Verse 2:]So let's sit down and sass the situation uh and all the speulation about how much you think I
Don't love you cause who is the one that held you down with me who is the one that always doubt me
It was you
[Chorus:]
But you can pack your bagz you can pack your bagz girl if you want I rather if you don't that
Will mean that love won't live [x2]
[Bridge:]Let's go back to all the times I tried to work it out and girl you played games with my mind
You pay no attention for working it out so gone
[Chorus:]But you can pack your bagz you can pack your bagz girl if you want I rather if you don't that
Will mean that love won't live [x4]
[Talks: Trey Songz]But since we talking let me ask you who was the one that held you down me uh and who was the that always
Debut me it was you
