

I Wanna Love You

98 Degrees

I tell you over and over, baby
That you don't know how you make me feel
I wanna know if it's alright
If I let you know what's the deal Oh I, oh I, oh I wanna love you
I wanna love you in a very real way
Oh I, oh I, oh I wanna love you Just tell 'em how you want it, girl
And let me prove that my love is true
There ain't a thing that I won't try
'Cause I know I'll be good to you
(Here's what I wanna do) I wanna know what you like
I wanna make you feel alright
I wanna feel the way that lovers do
I wanna make sweet love to you Oh I, oh I, oh I wanna love you
I wanna love you in a very real way
Oh I, oh I, oh I wanna love you
