# Heartbeat

## CHILDISHGAMBINO

Heartbeat
Heartbeat, heart, heartbeat
Heartbeat, heartbeat
Heartbeat, heart, heartbeat
I saw you talking on the phone
I know that you were not alone
But you're stealing my heart away
Yeah, you're stealing my heart away
You're acting like you're on your own
But I saw you standing with a girl
Stop tryin' to steal my heart away
Stop tryin' to steal my heart away
I don't know where we're going
I don't know who we are
I can feel your heartbeat
I can feel your heartbeat
(He said to me)
I can feel your heartbeat
(Running through me)
Feel your heartbeat
(She said)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(Running through me)
Heartbeat, feel your heartbeat
Maybe it's the way you move
You got me dreaming like a fool
That I could steal your heart away
I could steal your heart away
No matter what it is your think
I'm not a kind of girl to blink
And give my heart away
Stop tryin' to steal my heart away
I don't know where we're going
I don't know who we are
I can feel your heartbeat

(He said to me)
I can feel your heartbeat
(He said to me)
I can feel your heartbeat
(Running through me)
Heartbeat, feel your heartbeat
(She said)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(Running through me)
(Feel your heartbeat)
Stop stealing my heart away
Stop stealing my heart away
Stop stealing my heart away
You're stealing my heart away
I don't know where we're going
I don't know who we are
Feels like we were floatin'
High above the stars
(Stars, the stars, the stars, the stars)
Heartbeat
Heartbeat, heart, heartbeat
I can feel it, I can feel it, I can feel it
I can feel it, I can
I can feel your heartbeat
(He said to me)
I can feel your heartbeat
(He said to me)
I can feel your heartbeat
(Running through me)
Your heartbeat, feel your heartbeat
(She said)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(She said to me)
I can feel your heartbeat
(Running through me)
Your heartbeat, feel your heartbeat, beat, beat
Stop stealing my heart away
(Tell it to me, girl)
Stop stealing my heart away

(Ooh, give it to me, boy)
Stop stealing my heart away
(Just say it to me, girl)
You're stealing my heart away
Stop stealing my heart away
(I can feel your heartbeat)
Stop stealing my heart away
(I can feel your heartbeat)
Stop stealing my heart away
(I can feel your heartbeat)
Your heartbeat, your heartbeat
