

American Woman

Krokus

American woman, stay away from me
American woman, can't you let me be
Don't come a hangin' around my door
Don't wanna see your face no more
More important things to do than spend
My time growin' old with you now
Woman, I said stay away
American woman, listen what I say
American woman, get away from me
American woman, can't you let me be
Don't come a knockin' around my door
Don't wanna see your shadow no more
Colored lights can hypnotize
Sparkle someone else's eyes
Now woman, please go away
American woman, listen what I say
American woman, said get away
American woman, listen what I say
Don't come a hangin' around my door
Don't wanna see your face no more
I don't need your war machines
I don't need your ghetto scenes
Colored lights can hypnotize
Sparkle someone else's eyes
Now woman, get away from me
American woman, can't you let me be, oh yeah
You're no good for me
I'm no good for you
Gonna look you right in the eye
Tell you what I 'm gonna do
Gonna send you back down
(American woman)
Gonna send you back down
(American woman)
Gonna send you back down
(American woman)
