

Breath Control

Braincrack

Hah, giddyap
Ha ha ha hah
Another dope dope dope style
By the massive bdp crew
Of course, I will now present to you
A different view, for 1990
Of course, eighty-nine is behind me
Check it outIt's called breath control, breath control, breath control style
Breath control a-lone, breath control a-lone
Breath control, breath control, breath control style
Breath control a-loneIt's krsone, yes the t'cha
I wear Clarks and only Nike sneaker
In your speaker, is the new style
Dedicated to the intelligent child
In the front row, or behind me
We're gonna pull somebody file for the 90's
You want lyrics? we come correct
Bdp, only movin with respect
The other mc's, they can't believe me
A when I rhyme it sound just like a cd
We don't lip-sync, we go all live
On stage, I bring about four or five
That's d-nice, Sydney, and melody
And myself, harmony, and Willie d
We come humble, we just grumble
While other mc's crew just crumble
They want dancers, they want lighting
They want effects, to make them look exciting
But it's frightening, cause without that
The whole crew, is whick whick whick whack
Bdp comes, with the cheapest
And perform miracles like Jesus
The total respect, we achieve it
And the big head-liner can't believe itIt's called breath control, breath control, breath control style
Breath control a-lone, breath control a-lone
Breath control, breath control, breath control style
Breath control a-lone get ready for the breakHa ha ha ha hah
Well the styles I, usually dish out
Are so dope that you don't wanna miss out

We got pages, of the dope stuff
So in the record store, you can't pass by us
Get the album, hear the music
And hold on so you just don't lose it
As a reference, for any mc
That wanna test, k-r-s, o-n-e
Cause I've been watchin, these other rap groups
They walk around like they're some kinda big soup
You can't touch them, you only see them
In a arena or big coliseum
So when you watch them, for a second
Them sound nuttin like they do on record
Them sound cheesy, them sound wheezy
For twenty dollars boy you know them never please me
So I see this, and prevent this
It's like goin for a checkup at the dentist
Cause when you come to a bdp performance
The microphone, had better have endurance
Cause we'll check it, and then wreck it
And then the soundman has got to accept it
Because it's breath control, breath control, breath control style
Breath control a-lone, breath control a-lone
Breath control, breath control, breath control style
Breath control a-lone take it out
