Will We Cry?

Rikard SjÃ¶blom

They left me
Poor and numb little me
Let me here all alone
All alone...

They waltz back in
They tell words so grim, (that they)
Soar our hearts 'til we cry
Will we cry?
TIME STANDS STILL

IN THE SICKBAY I SHALL BE
WHERE NOBODY REALLY KNOWS ME
IN THE FEVERED DARK I DWELL
I KEEP ASKING "IS THIS HELL"
BUT NO ONE WILL TELL
