

# Kalopsia (Feat. Alex Turner)

## Queens of the Stone Age

I never lie  
To myself  
Tonight. Rose, tinted eyes  
Color my sorrow  
A shade of 'why? Bye bye black balloon  
See you real soon  
Wave bye bye  
Bye bye Why were you so sad  
What have they done?  
Forget those mindless baboons  
They're off playing God Copy cats in cheap suits  
All playing it safe  
While cannibals with their noose  
Consume a parade Is it wonderful? Kalopsia, kalopsia, kalopsia  
Kalopsia, kalopsia Far, far from shore  
The land of nightmares  
Gone forever more And I love you more  
Than I can control  
I don't even try  
Why would I? Oh why the long face?  
You've got it all wrong  
Forget the rat in the race  
We'll choke chain them all Fates favor the ones  
Who help themselves  
The rest feel the sting of the lash  
As they run, as they run  
To hell
