Cry My Name

Bloodbath

you will see
my burning inferno
and there is no way
in your wildest dreams
that you can say noi suffocate your soul
and drain you of your lifeblood
the breathing darkness here
will make you disappear
there is no returni steal your soul
and carve a hole right where your heart once used to be
i watch you die
i hear you cry
it fills my soul with such delightyou are lost
you are entering a dead world
wherever you will turn
you will see your spirit burn
your life is overhere in death's dominion
where even shadows die
i am the one almighty
you will cry my name
and when you seek forgiveness
you will see there is no god
and for all eternity
you will cry my nameyou
cry outnow it's time to return
to the world up above
and invite you to burnoh, the ones that i seek
are defenseless and weak
soon their hearts will be mineand no one can slip
from my powerful grip
i was born to deceivethe smell of your flesh
so rancid and fresh
it keeps me alive
