Gravity (Terry Edwards mix)

Drugstore

Uuurrrrrrrrrrrrrrrr...
You're stick insiiiide...Tragically. now i can raid you like a buck...
Asking me... if i hate the way u look
Too blind to see what shine to pushed you deep within
Except yourself
Before u left somebody and...I won't pray ... if u won't try
Thoughts that i will leave you behind...
I can see it in your eye.
Grabbing and building up insane...
Yeah!
Drowning in... your see of nagativity... telling me
That u don't turn up to beg...
Eventually... speak lies that i'll believe they were true...
Destroy yourself. but please don't take me with you...I won't pray ... if u won't try...
Thoughts that i will leave you behind...
I can see it in your eye. grabbing and building up inside...
You're beautiful to me... to mee...You're negative, self and bitch... you'll take your shame and expose your face...
It's all on meee!
I won't pray ... if u won't try...
Thoughts that i will leave you behind...
I can see it in your eye. grabbing and building up inside...
You're beautiful to me... to mee...
