

Big Green And Yeller

Seasick Steve

Green and yeller! I wanna get me
Old John Deere
Old model 60
Sell 'em pretty dear
Gonna get me a trailer hitch
Old Caravan
Drive me on the highway, block traffic
Every chance I can I wanna drive my tractor all day long
Don't need no Ferrari, no Porsche too
Big green and yeller, for me it's gonna do
Gonna go out and buy me
Ten acres now
Get on that old tractor
I'm gonna plow, plow, plow
I wanna ride my tractor all day long
I'm gonna drive my tractor all day long
All right, hear me drive now I woulda... That old model G high cropper
How about the 4020? 2010 high cropper
Model of it? Model B. Model BN. Green and Yeller!
Green and Yeller!
Green and Yeller! You might think this song about a woman
What's a matter? Can't you hear.
Ain't about nothing
Except an old John Deere
I'm gonna get me
Old John Deere
Old model 60
Sell 'em pretty dear
Gonna go out and buy me
Ten acres now
Get on that old tractor
I'm gonna plow, plow plow I'm gonna drive my tractor all day long
Drive my tractor
Drive my tractor all day long
I'm gonna drive my tractor
Yes I'm gonna drive my tractor
Drive my tractor
Far and near

It ain't nothing
Except an old John DeereI'm gonna drive my tractor
Far and near
Drive my tractor
It ain't nothing
Except an old John DeereIt ain't nothing
Except an old John DeereIt ain't nothing
Except an old John Deere
