## Snoop Dogg

[Intro]

Here we go

It's time[Hook: Wiz Khalifa]

If it ain't KK what you smoking on

If it ain't RosÃ© tell 'em carry on

It ain't 'bout mine 'less the money long

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na

[Verse 1: Snoop Dogg]

Fat sack in hand, Mac and Dev

Back in dreads, stacking bread

Kush in the air errywhere I be

Word is Doggy Dogg got that 10 a key

You can believe what you wanna loc

See I'ma pee on the tree when I wanna smoke

Underground to the top shelf

And I can do it by my goddamn self

I put some fire on the tip

High when I trip, still fly on a bitch

I'ma ease on by

Tip top, don't stop, why not, not why

See I'ma regulate it

Real shit, real niggas, real weed separated

And put the match on the tip

So quick, so fast like that, you bitch[Hook: Wiz Khalifa]

If it ain't KK what you smoking on

If it ain't RosÃ© tell 'em carry on

It ain't 'bout mine 'less the money long

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na

Oh na na na na na na[Verse 2: Wiz Khalifa]

Came in this thang, blowing on the strongest Mary Jane

Make sure everybody know my name

Niggas know we go hard so we young bosses in the game

Now I'm getting weed on the plane  
It's such a shame, your bitch with us  
Hatin' on me 'cause you probably can't get rich with us  
Probably run around claim you a real nigga too  
But I'ma fuck her, never call like real niggas do, ooh  
No pain, no gain  
I be on the yacht drunk sipping champagne  
Partying with Snoop Dogg, smoking propane  
Screaming rest in peace June Bug with my whole gang  
Uhh, niggas hate but I just laugh at that  
A milly first quarter, you ain't half of that  
Talking trees, we can go pack for pack  
All day, we just smoke back to back
