

Tired Of You

The Exies

Where did I go wrong
Can't look you in the eye
Feeling so ashamed
It feels like I could die
Hold me up
Don't let go
I've had enough

I'm tired of breathing
Tired of feeling
Tired of looking at the past for meaning
Tired of running
Tired of searching
Tired of trying
But I'm not
Tired of you

Losing everything
Is something I can't face
Hope is on the run
It's something I can't shake
Hold me up
Don't let go
I've had enough

I'm tired of breathing
Tired of feeling
Tired of looking at the past for meaning
Tired of running
Tired of searching
Tired of trying
But I'm not
Tired of you
(But I'm) Not tired of you
(But I'm) Not tired of you

I want to find a change
I don't mind if it hurts
You take away the pain

You're the only thing that's pure

I'm tired of breathing
Tired of feeling
Tired of looking at the past for meaning
Tired of running
Tired of searching
Tired of trying
But I'm
Well I'm tired of breathing
Tired of feeling
Tired of looking at the past for meaning
Tired of running
Tired of searching
Tired of trying
But I'm not
Tired of you
Tired of you
Tired of you
Tired of you
