## Ani DiFranco

When the joy had left your body  
And you were locked in to your own thoughts  
You used to love to sit by the water  
And watch it lapping on the rocks  
And every time you put your feet in  
You'd cry out and you would pray  
But it's all downhill from here baby  
So naturally, I can't stay  
First you'll roll your eyes to heaven  
Say you never had love so divine  
But it will go from  
More than ever  
To not enough  
In no time  
You will push and  
You will push un  
Til you push me away  
I hear you cry out for your water  
And I know you'll curse it someday  
I guess for me  
There's been a few  
Who've walked up smiling  
And drawn a line  
Between so far  
And from now on  
Yes a big glowing  
Line in time  
And I've been disappointed  
I've been heartbroken  
Yes I too have  
Loved from afar  
But we are 78% water  
Even our pumping hearts
