

Dream Baby

Bananarama

Think of me while you're walking down the street
Scheming ways for us to meet
I know that you'd like to fool around
You know I'm the hottest thing in town You're getting closer
Hot on my trail
I'm the queen bee baby
So you just can't fail 'Cause I'm your dream dream baby
I'm your sweet thing baby
You're always worried that I'm not gonna stay
'Cause when the dreaming ends you know I'll fade away Haunting you every day and night
Haunting you till the early morning light
And you want me if you know what's right
I'm your No. 1 lady, sheer delight You're getting closer
Hot on my trail
I'm the queen bee baby
So you just can't fail 'Cause I'm your dream dream baby
I'm your sweet thing baby
You're always worried that I'm not gonna stay
'Cause when the dreaming ends you know I'll fade away Dream dream baby
Dream dream baby
You're always worried that I'll split the scene
'Cause like all good things I'm fading with your dreams I can read from your eyes that you like my style
Imagination's really running wild
If you give it a try you know it could be
So come on little baby won't you follow me 'Cause I'm your dream dream baby
I'm your sweet thing baby
You're always worried that I'm not gonna stay
'Cause when the dreaming ends you know I'll fade away Dream dream baby
Dream dream baby
You're always worried that I'll split the scene
'Cause like all good things I'm fading with your dreams
