## Grinspoon

I've got a trademark  
For registration  
So get your gold card  
And make me happy I lost my brother  
He was a good man  
I'm sure the others  
Will throw the ball in Boundary  
Boundary  
Boundary You tried to stop them  
But they kept going  
Penalty victim  
For boundary throw in Don't bother me cos  
I never smoke that  
I'm sure the others  
Had an abortion Boundary  
Boundary  
Boundary You got a trademark  
For registration  
So get your gold card  
And let's be happy I love the others  
I'm contradicted  
You said, it's over  
But I won't listen Boundary  
Boundary  
Boundary
