

# Full Moon and Empty Arms

**Robert Goulet**

Full moon and empty arms  
The moon is there for us to share, but where are you?  
A night like this could weave a memory  
And every kiss could start a dream for twoFull moon and empty arms  
Tonight I'll use the magic moon to wish upon  
And next full moon, if my one wish comes true  
My empty arms will be filled with youFull moon and empty arms  
Tonight I'll use the magic moon to wish upon,  
And next full moon, if my one wish comes true  
my empty arms will be filled with you
