

Where The Wild Things Are

Metallica

So wake up, sleepy one
It's time to save your world Steal dreams and give to you
Shoplift a thought or two
All children touch the sun
Burn fingers one by one, by one Will this earth be good to you?
Keep you clean or stain through? So wake up sleepy one
It's time to save your world
You're where the wild things are
Yeah, toy soldiers off to war Big eyes to open soon
Believing all under sun and moon
But does Heaven know you're here?
And did they give you smiles or tears?
No, no tears Will this earth be good to you?
Keep you clean or stain through? So wake up sleepy one
It's time to save your world
You're where the wild things are
Yeah, toy soldiers off to war You swing your rattle down
(Hand puppets storm the beach
Fire trucks trapped out of reach
Hand puppets storm the beach) Call to arms, the trumpets sound
(Fire trucks trapped out of reach
All clowns reinforce the rear
Slingshots fire into the air) Toy horses start the charge
(All clowns reinforce the rear
Slingshots fire into the air
Stuffed bears hold the hill till death
Crossfire from the marionettes) Robot chessmen standing guard
(Stuffed bears hold the hill till death
Crossfire from the marionettes
We shall never surrender) All you children touch the sun
Burn your fingers one by one
Will this earth be good to you?
Keep you clean or stain through? So wake up sleepy one
It's time to save your world
You're where the wild things are now
Toy soldiers off to war
Off to war, off to war So close your little eyes
